# Recruit ECU Talent

## ECU Supporting Employers and Community Organisations

Edith Cowan University is the second-largest university in Western Australia, offering over 300 courses across a diverse range of disciplines, and from undergraduate to doctoral levels of study. ECU works closely with schools and employers to optimise employment outcomes for graduates and to ensure those graduates are job ready.

## Services to employers

We offer the following services to employers and organisations who are seeking to connect with ECU students and graduates.

### Advertising job opportunities through CareerHub

Advertising vacancies with us is fast, **FREE**, and easy. Once registered, you can promote your vacancies to over 25,000 of our current students and recent graduates. You can advertise a variety of roles including.

- Part-time/temporary work
- Short-term contracts and project work
- Graduate opportunities
- Internships
- Industry placements
- Volunteering

You can register as an employer here.

### Contact us

Contact us to find out about upcoming events and how you can become involved. This is an excellent opportunity for you to meet students face-to-face, share your industry knowledge and experience, and to market your organisation as a key employer.

Our Careers and Employability team will discuss your individual recruitment needs and requirements.
